

MATTHEWISM IS A HERESY!

After the fall of Kallinikos Sarandopoulos in the heresy of kyprianism, the heretics matthewites get up to circus tricks (devilish resourcefulness), to seduce and lure the few remaining True Orthodox Christians in the heresy of matthewism.

In 2015 the false archbishop Matthewite **Stephanos of Athens** sent to us his “apostlesse” Maria – trying to seduce us and attract us to him. I attach here my answer - with one or two small supplements, that are known to the Matthewites, but they are needed to someone who does not know what it was about - so it becomes clear to him, too.

After this worthy and fully sufficient response of mine (which follows below), the mentioned in this letter "uncle" Stephanos of Athens disappeared - and now neither his “apostlesse” nor he himself appears before our eyes and now they can not be found even during the day with a lantern! (((-:

Therefore I am not going to expose publicly all the matthewite frauds on the website GOC-NEWS! They already **know that I am very well informed!** (usually matthewites operate where people are not informed – so they can lie without obstacles, not incurring the risk of being exposed) But they already **know that I am very well informed** about all their frauds and **always beat them in the face WITH FACTS!**

And at the same time they are calm, cause they know: I HAVE NO TIME to deal with matthewites' nonsense - and also do not want to blemish the website GOC-NEWS with the matthewite frauds and nonsense. I prefer:

(a) to publish only this worthy and fully sufficient response of mine (which follows below), and

(b) the website to remain as it is!

**Maria,**

You have the gift of the most beautiful name in the world - but now you are offering us the most stupid thing that you (or someone else behind you) could have come up with!

So - what is this lesson in stupidity that you attempted to "teach us" now? (((-:

You are offering us – that we, the Genuine Orthodox Christians who have always belonged to the Church, who have changed nothing – to suddenly now get out of the Church and to fall into the heresy of matthewism!

Why should we do this nonsense? On what reason???...

- Because Kallinikos went out of the Church and fell into the heresy of kyprianism!

So what???... Kallinikos is Kallinikos and he does every madness which satan suggests him to do. Does this mean that we should do another nonsense?????????

What extreme stupidity and what madness you did!!!

You've done this madness - and now you are proposing us to become the same fools like you! - to follow in your footsteps (((-:

So now - as I see that **you obviously have great difficulty in thinking** – that's why I'll explain to you in points:

1. In 2014 Kallinikos and all his "bishops" and the majority of his "priests" came out of the Holy Orthodox Church and fell into the heresy of kyprianism – Kallinikos made modernization of the heresy of kyprianism and that modernization is called "kallinikian kyprianism."

2. In the Holy Orthodox Church (in Greece) stayed only we - some Genuine Orthodox Priests and our flock of laity - and that happened just like 90 years ago (1924) ALL "bishops" of the greek church left the Church and fell into the heresy of ecumenism. And in the Church stayed only a few Priests and many laity. It is **precisely to them** that the Lord gave the Holy Third Divine Apparition of the Holy Cross of the Lord in Athens – to show all over the world that **precisely they are His Church**.

Have you heard of this?

Surely you've heard - but you have straight lost your mind for

your **stupidity plus pride** - and so today, when this event is repeated, you decided to come out of the Church (though you, like us, were in the Church too) - and to throw yourself down headlong in the heresy of the matthewites!!! Why? Just because Kallinikos and the others had done the same as you, but they jumped headlong into another heresy - into the heresy of kyprianism!!!

What extreme nonsense you have done! ...

But you have not stopped here, in your stupidity. No - besides stupidity, you are filled also with pride and so you think that you did "so smart" a trick - that now you want to sell this "smartness" of yours to us!

(((-:

Why in 1924 the Christians did not do the same extreme nonsense like you? Why they did not say for example: "Because Chrysostomos Papadopoulos went out of the Church and fell into the heresy of ecumenism - come on now also we "the smart" let's also go out of the Church and fall in another heresy - for example, in the heresy of protestantism" – huh?

If they had done this, then they would have done as "smartly" as you! (((-:

3. Further clarification. Strain now all your mind, all that you have, to understand what I am going to say to you right now! It's simple and the ordinary people understand it easily. But here, you are not at the level of the ordinary people - and so you will have to strain very hard to be able to understand this simple obvious truth. So come on, strain - pay attention now:

~ **The matthewites ARE HERETICS!** Why? Because they confess that supposedly "the heresy of ecumenism is not a heresy, but a schism" - and that "it progressed" from schism to heresy!

Because of this heretical confession **the matthewites ARE HERETICS!**

~ And what is the Orthodox confession?

The Orthodox confession is that **the heresy of ecumenism has never been a "schism" (as taught by the heretics-matthewites), but has always been a heresy** - right from the start when it was published through the patriarchal Encyclical in 1920! The first point of this heresy reads: "to accept the new calendar for all the churches to pray together". And here with the word "churches" are named all the heresies.

**This is not a schism**, - as falsely and heretically teach the heretics-matthewites!  
**This is ecumenism = the most heretical HERESY** in the history of mankind!!!

Now do you understand what kind of stupidity your matthewites confess – or not? Obviously – "or not". Therefore, I explain:

a) The schism can not be "printed, published"!

b) One can print and publish only **confession, ideology!** And in 1920 the Constantinople Patriarchate in its synodical Encyclical has published has printed a **heretical ideology = HERESY = the Pan-heresy of ecumenism** – and not a "schism"!!! And for this it is required: ANATHEMA to the heretics and termination of the communion!

It is now clear? (let's hope that it has cleared up...)

And in 1924, was just put into practice the first step from the program of this the most poisonous heresy in the history of mankind!

But the heretics matthewites falsely and heretically teach that this the most poisonous heresy in the history of mankind - supposedly "is not a heresy, but just a schism"!

Question: Why do the heretics matthewites teach that in 1924 it was a schism and not heresy?

Answer: Because to the heretics matthewites the word "schism" sounds more justifying than the word "heresy" - and these hypocrites hope that with this word they will be able to justify the false heretical and fake "ordination" of their heresiarch Matthew.

I have asked their "theologians" and now ask anyone who dares to answer me:

1. If a newcalendarist "bishop" today decides to come to them - will they not ordain him? - Or will they not at least do chirothesia to him?

To that the heretics matthewites answer: YES, we'll do.

2. Then I ask again: And when the first three "bishops" in 1935 came out from the heresy of ecumenism - WHO did chirothesia to them?

Here the heretics matthewites answer: No one. But they had their canonical chirotonias from before 1924!

**Here I expose: LIE!!! - This is another lie of the heretics matthewites! All their heretical ideology is built on lie!**

- They constantly lie!

- And they are constantly caught while they are lying and they again lie!

- And they constantly continue to lie! Shamelessness! Godless ones!...

- One lie follows another - because one lie constantly requires another to justify the previous one. Just as Walter Scott says: "Oh, what a tangled web we weave ... when first we practice to deceive." A complete and accurate illustration of his words are the heretics Matthewites! A whole web of lies in which they have entangled themselves and can not untangle - they falsify documents to present as "truth" their consecutive lie! All their "documents" are such.

- Kalliopios of Pentapolis admits to some falsifications he personally did while he was a Matthewite. Then he gets tired of soiling himself in the filth of their lies - and leaves them. Then they started to stifle him with lies and slander.

- Then Kallinikos of Achaia collects in a whole volume and exposes a huge part of their ocean of lies - but then reconsiders and does not print it, to not avail the heretics new calendarists to say "Look at the Old Calendarists what liars they are!"...

And in the same way in the case of the false heretical and fake "ordination" of their heresiarch Matthew - they again serve us a LIE!!! - This is another lie of the heretics Matthewites!

And what is the Truth?

Answer:

- The heretical and false "ordination" of their heresiarch Matthew is done by **two old calendar "bishops"** and one "bishop" **ordained in the new calendar, to wit in the heresy of ecumenism** (in 1935) – the false-bishop of Zakynthos, Ζακύνθου Χρυσόστομο Δημητρίου. This heretic ecumenist is "ordained" **within the very heresy of ecumenism** in 1935, **months before** the three "bishops" said: "now we are coming out from the heresy and becoming Orthodox". To this heretic ecumenist "ordained" **within the very heresy** of ecumenism **nobody ever has done chirothesia!**

This fact the heretics matthewites always hide!!! – they are proven liars! They've been caught in many lies and falsifications! - and in this case they also lie and hide that their heresiarch Matthew was "ordained" by two former old calendarists and one heretic newcalendarist-ecumenist Ζακύνθου Χρυσόστομο Δημητρίου!

And you, the extremely illiterate, do not know this fact at all and many other facts – and, nevertheless, you are so stupid-and-proud, that you have imagined that you are "worthy" - you the illiterate supposedly are "worthy" to teach us! Ha ha ha - what stupidity plus pride and fantasy.

4. Here is the Encyclical of the ecumenical patriarchate of Constantinople, published in 1920

<http://orthodoxi-ellada.blogspot.com/2010/05/blog-post.html>

Here you can readily see that the so-called "new calendar church" -

~ **has never been a "schism"** - as the heretics-Matthewites **unorthodoxly** confess and teach - just to find a way to "justify" that they supposedly "have" apostolic succession.

~ **but has always been a heresy!** Even before its birth, the Greek ecumenical false-church was pre-set as a heresy! No matter that in 1923, Chrysostomos Papadopoulos, the heresiarch, warned that if they change the calendar, then it will be a "schism" – and a year later he himself imposed it to the Greek people – by his sole order and against the council decision of the Church of Greece.

By order of Chrysostomos Papadopoulos, his spy Eugeny Tombros ran among the matthewites the heretical confession of Chrysostomos Papadopoulos that supposedly "the heresy of ecumenism was not a heresy, but a «schism»" – and the heretics matthewites hold until today this heretical confession of Chrysostomos Papadopoulos.

- However the Truth is: This heresy was pre-set as heresy! - see it's program's first point. It emerged = was born as heresy.

<http://orthodoxia-ellados.blogspot.com/2010/05/020.html>

- It does not develop "from schism to heresy," as falsely confess the heretics matthewites and others like them, but

- it develops: From PAN-heresy - to the antichrist!

<http://orthodoxia-ellados.blogspot.com/2010/05/015.html>

This PAN-heresy has NEVER been a schism!

It was ALWAYS heresy of the heresies = PAN-heresy!

- and ALWAYS has led to the antichrist!

And the fact that the matthewites do not characterize it as a heresy from the very beginning of the publication of the 1920 encyclical, but as a schism - means that from the beginning they are heretics ecumenists, as well as hypocrites - because they present themselves as "fighters against ecumenism" – just the same way how the heretics kyprianites-ecumenists do it.

Or maybe you think that it is not so?

Then tell me: when was it not a heresy? WHEN did it not lead to the antichrist?

- Maybe when it was pre-set?

No! This is a unique heresy! - And it was pre-set exactly and only for this purpose: To lead the world through a religious way – to worship the antichrist!

- Or you will deny it and with very clever words will try to do the same thing that tried to do the satanists, who have pre-set it: to HIDE the true essence of the PAN-heresy under a disguised appearance?

In brief: you will try by clever words to describe the steps of the satanists - one after another - as they step by step SHOWED this disguised appearance of the PAN-heresy world-wide - so the people of the world gradually were deceived by the appearance and did not notice the ESSENCE of the PAN-heresy?

That is - you want us to help them to cheat us?

- So we, deceiving ourselves, to assist them to achieve their global plan?

(-:

If you have such a desire - I do not have!

**And so - the truth is clear!**

Who wants to be blind - let him be. But do not try to force me to not see the obvious!

5. We have cut off communion with Kallinikos Sarantopoulos and his followers, because all his "bishops" and the rest of the "priests" and his followers fell outside the Genuine Orthodox Church and fell into the heresy of ecumenism = kyprianism - under their own anathema proclaimed by the Synod in 1998 | [EN](#) | [RU](#) | [GR](#) | [BG](#) |

Thus, the genuine representatives of the Church (the Genuine Synod of Chrysostom) remain just us this small "handful" of Genuine Orthodox Christians.

This was exactly the same way as exactly 90 years before (1924), all the clergy and laity of the Greek Church fell from the Orthodox Church of the Lord Jesus Christ and fell into the heresy of ecumenism. And in the Genuine Orthodox Church of the Lord Jesus Christ remained only 4 or 5 Genuine Orthodox Priests and a great number of faithful to the Lord laity.

At the words I wrote now can laugh whoever wants, but the Lord Himself gave testimony to the truth that I wrote - that this small "handful" of faithful priests and laity are the true representatives of His Holy Church on earth. Because the Lord has shown from the sky – because exactly to them He gave the Third Divine Appearance of the Holy Cross of the Lord in the sky of Athens.

**Just in the same way are we too today**, 90 years after this event - because the Lord will not do every time the same miracles for the same event! Once is enough!

6. Well, do you understand now what nonsense you are trying to offer us? Did you alone come up with this nonsense and by your initiative come to "teach" us such madness - or you are sent by your "uncle" (thios) Stephanos of Athens? No doubt it is he, that sends you, because he is hiding behind your back, afraid to come face to face in front of me and to offer me the same nonsense! Why? Because (like all heretics-matthewites) he is afraid that I would expose him for his heresy, for his heretical confession that supposedly the heresy of ecumenism (the most poisonous heresy in the history of mankind!) supposedly "in the beginning was not a heresy but was only a schism!" **The heretics matthewites know me very well – and that is why they run and hide from me because they know that I am very well informed** about all their machinations and deceits and **always beat them in the face WITH FACTS!**

I said – they know me very well, because not one and not two were unmasked openly by me in this way, as **I have always beaten them in the face WITH FACTS** – and so they fled and did not know what to respond for shame and so does this "uncle" (thios) of yours Stephanos of Athens!

I've asked many times, and many of these pompous foolish "nerds", but never and none of them could answer me, but always and all of them got furious by the facts and started calling me insulting names – I've asked them: "If now comes to you a heretic-ecumenist (or as you call them "newcalendarist" to sound more justifying,

because you are afraid to call them heretics ecumenists, as it beats directly on Matthew-the-heretic ecumenist) – if now comes to you such a "bishop" will you not do to him chirothesia, accepting him from the heresy?"

They answer: "We'll do."

I ask: "And to the three that came out of the heresy in 1935, Chrysostomos Kavuridis, Germanos Dimitriadis and Chrysostomos Zakynthou – who did to them chirothesia? Who accepted them from the heresy?"

They say: "No one, but they had their chirotonias before falling into the new calendar schism" (they are afraid to say it is not schism but a heresy - because they beat directly on the heretic Matthew Karpatakis!)

I answer:

- FIRST: **LIE! You're a liar!** The Truth is different! The truth is that only THE TWO - Chrysostomos Kavuridis and Germanos Dimitriadis had chirotonias as bishop before falling into the HERESY of ecumenism – only THE TWO! And the third - Chrysostomos Zakynthou - is "ordained" for "bishop" inside the heresy of ecumenism several months before the three of them said "we are going out and becoming Orthodox."

Therefore: **By who is Matthew Karpatakis "ordained"?**

– by **two "old calendarists" and by one "new calendarist"** (as you call the heretics-ecumenists), to whom (as to the two others as well) no one has ever done chirothesia!

- SECOND: Whenever someone Bishop falls into heresy, he ceases to be a Bishop. IF HE REPENTS after that – there must be some Orthodox Bishop **to accept him** into the Church! Now Kallinikos, **if he repents** for falling into the heresy of kyprianism – that is not enough to become Orthodox, because it'll be like Baron Munchausen to extract himself by the hair from the swamp of heresy – NO, THAT DOES NOT WORK! Repentance is good - but there must also be someone **to accept him** in the Church! **And these three were not accepted by anyone! THEY HAVE NOT EVEN REPENTED (!!!) OF THEIR FALLING IN THE HERESY! ON THE CONTRARY: They were proudly thumping their chests that they are "confessors of the faith" - satanic pride of unrepented heretics!!!**

What do the heretics matthewites reply when I reveal to them these FACTS and that Orthodox confession of faith?

Answer: NOTHING! They just get furious and run – or, driven by satan, they begin to shower me with mud, offensive words, slander!!! **In Greek slanderer is pronounced DIAVOLOS!** Right?

So your matthewites:

- FIRST – are heretics, because **they do not confess that the ecumenism, the most evil heresy, is a heresy, but they call it a "schism"** to justify the false-ordination of Matthew Karpatakis,

- SECOND - they are also NON-ordained! They are "uncles", "barbadzides": your barba Stefanos, barba Andreas and so on ...

THAT IS WHY – when they asked communion from the Russians – the Russians raised their CONDITION: that they **send TWO of them in America – not one!** And the matthewites obeyed this condition! – and sent the TWO of their "bishops"

Callistus of Corinth and Epiphanius of Cyprus in the Russian Diaspora – and **the Russians ORDAINED them!** And then **BY THE TWO were ordained ALL** matthewite "bishops" and Archbishop Andrew was ordained in the monastery "St. Archangels" («Agiói Taxiárhoi») Athicia, Corinth. This fact is well known in the monastery "St. Archangels." - but the Matthewites hide that fact too! Thus – on lies, deception, delusions, hiding facts – is built all the Matthewite heretical ideology!

But then the matthewites renounced their ordinations – out of pride and heresy (which heresy we described above) - and the Church Canon commands: **Whoever Bishop (or cleric) renounces his ordination – he ceases to be a Bishop (or cleric)!** Period!

That's why ALL THEY are "uncles", "barbadzides" = barba Stefanos, barba Andreas and so on ...

7. That's why:

- **to your "uncle" (thios) Stephanos of Athens - tell him:** Not to provoke me to expose publicly all the matthewite frauds! Let him not provoke me! He and his companions already **know that I am very well informed** about all their frauds and **always beat them in the face WITH FACTS!**

And at the same time calm him: I HAVE NO TIME to deal with matthewites' nonsense – and also do not want to blemish the website GOC-NEWS with the matthewite frauds and nonsense, I prefer the site to remain as it is!

- **to your "uncle" (thios) Stephanos of Athens - tell him** that it is we who can accept him in the Church, but only under the condition that he first repents of his heresy matthewism and publicly confesses that the matthewism is heresy and that **the heresy of ecumenism never was a schism, but has always been a heresy** – ever since 1920, when the antichrist encyclical was published.

- **to your "uncle" (thios) Stephanos of Athens - tell him** that we can accept him in the Church under the condition that he repents thus publicly for his matthewites' heresy! Under this condition we can accept him in the Church with the ultimate economy: with chirothesia - and will not ordain him as were ordained THE TWO bishops Callistus of Corinth and Epiphanius of Cyprus in the Russian Diaspora (That was exactly why the Russians put **the condition to come TWO, not one!**), and as then were ordained ALL matthewite "bishops" and Archbishop Andrew was ordained in the monastery "St. Archangels" Attica Corinth. But then they renounced their ordinations – out of pride and heresy (which heresy we described above)

~~~~~

NOTE:

Even alone the blasphemy of the matthewites against the Holy Spirit is sufficient for their overthrow into hell eternal - both themselves and their supporters and followers - for their fighting against the Holy Spirit by rejecting the Holiness of the Incorruptible Saint Philaret of New York and the Divine Grace of the Holy Spirit, acting through him (and his Incorruptible Holy Relics)!

~ And for what do they fight against the Holy Spirit, rejecting the Holiness? Answer: Because it was under his leadership that on 18/31 December 1969 the Synod of Bishops of the ROCOR by the Grace and inspiration of the Holy Spirit exposed and reduced to rubble all the matthewites' slander about the alleged "uncanonicalness" of the episcopal chirotonias of blessed Archbishop Akakios and the subsequent chirotonias of the Bishops!

After the schism of Auxentius Pastras, the Synod of Bishops of ROCOR remained in communion with the Synod of Chrysostom Kiusis – about which I personally (Priest John Vasilevski) testify about the held by me before many witnesses telephone conversation in 1992 with Metropolitan Vitaly (the successor of St. Filaret) when he said to all of us: ***"Will you join us, or the Greeks (the Synod of Chrysostom Kiusis – only these were the Greeks in question and not any other!), it is the same thing – because we are ONE! But go to them, because they are just geographically closer to you!"***

~~~~~

I said that **the heretics matthewites know me very well – and therefore run and hide from me because they know that I am very well informed** about all their machinations and **always beat them in the face WITH FACTS!** Is it clear? So now go and tell your "uncle" (thios) Stephanos of Athens – not to provoke me to expose him publicly for his heresy - and so, not to appear before my eyes, **UNLESS he repents for his heresy matthewism** and publicly confesses that the matthewism is heresy, and that **the heresy ecumenism was never a schism, but has always been a heresy** – ever since 1920, when the antichrist encyclical was published. If not – then HE IS A HERETIC! ANATHEMA! And you do not try to pull us out of the Church and to drag us down into his heresy! Your lesson in stupidity that you attempted to teach us - failed! (((-:

You were in the Church – and now you jumped out of the Church and dropped into the heresy of matthewism, because, obviously, you are one of these illiterate laypeople greeks, who know only "difference 13 days" - and therefore they so easily

jump from The Church - to various heresies and schisms, because they think that supposedly "the church is made of branches, divided among themselves and, therefore, there can be jumping from branch to branch." Thus, they are heretics who confess ecumenism inside the old calendar – they are illiterate and do not know that:  
- The Church is **One and Indivisible** Body of the Lord Jesus Christ and His Virgin Bride without spot (Ephes.5:25-27), Which has nothing to do with heresies or schisms: [www.virt.us/TheChurch.en](http://www.virt.us/TheChurch.en)

Obviously, you are one of these illiterate laypeople greeks - so you also believe like them "Past member of the **GOC**-K now with **GOC**-Arch. Stephanos" = FACT **here you expose yourself** that you heretically and illiterately believe that supposedly "*there can coexist two **GOCs***" - and therefore:

a) you yourself made this nonsense – jumped out of the Church

[www.virt.us/TheChurch.en](http://www.virt.us/TheChurch.en) - and dived headlong into the heresy of matthewism

b) not only, but even more - you attempted to "teach us" the same lesson in stupidity – however this attempt of yours failed!

(((-:

Come on - I wish you good road! And good repentance!
