

– SUPERMEMORANDUM of the antichrist –

KALLINIKOS CARRIED OUT THE UNIA WITH THE KYPRIANITES AND SO BECAME HIMSELF A KYPRIANITE IN SERVICE OF THE ANTICHRIST!

Note:

When I was preparing for announcement the texts for this publication, a zealot cleric said to me: “Behold, you now labor, gather the materials, set out, arrange them for publication, and even take a risk! But mark my words – no one will move his finger for his own salvation! No one will be moved! The world is perishing!!!”

Then I answered him: “Yes, I know, about this already predicted the Holy Fathers – that in the end times before the coming of the antichrist the huge perishing multitude will treat with contempt and scoffing the warnings of the negligibly few in number Orthodox about the danger and about the salvation – just as in the times of Noah and Lot (Luke.17:26-29).

And yet! Even if not a single person on the planet hears It – the Orthodox Truth must still be phrased expressed announced!”

Kallinikos Sarandopoulos for many years was **deceiving** us that he is orthodox and played the role of a “zealot of Orthodoxy”. And in reality has always been a wolf dressed in sheep’s clothing (Mat.7:15)! A typical example of such a wolf.

Now he already is getting tangled in his own lies. Example: he himself admits that he **has warned Agathangel to stop** teaching that the protestants also have grace! That’s how much he had “received with repentance” Agathangel (and the other kyprianites):

If you **now** have warned him to stop – then how can it be that you **previously** had “received him with repentance”? - who are you trying to deceive?!! Only fools believe you!!!

And here now the truth about the satanic role of Kallinikos is fully revealed!

Here now is fully pulled back the curtain of the lie:

– A SHOCKING DOCUMENT is signed – SUPERMEMORANDUM of the antichrist – From this satanic document it becomes clear what is pursued – convocation of a so called “8-th ecumenical” council of the antichrist with the purpose: destruction of the Orthodox Church and converting the people into cattle.

See this document! – it clearly reveals the satanic role of Sarandopoulos and testifies **WHY he made the UNIA with the kyprianites.**

He made it by order of the pope and the masons who are preparing the coming of the antichrist. He made it in service of the antichrist!

This year, 2017, the plan of the antichrist (for which his forerunner **Kallinikos Sarandopoulos** served to him) according to the signed program, takes effect!

Therefore the few remaining True Orthodox (it is predicted that they will remain negligibly few in number) must prepare for persecutions!

According to the prophecy of St. Anatoly of Optina, the persecutors will subject to persecution first the Shepherds – because precisely that way the True Shepherd iconizes the sufferings of the Archshepherd Jesus Christ for the salvation of the world! (Mat.26:31)

*(NOTE: **Kallinikos, the servant of the antichrist, this tyrant, since he fell in heresy, is not wasting his time and for persecutions is always ready and even now already is acting: he ALREADY sends his subordinate Photios Mandalis to the police in the Drama district to cause persecution against Priest John (Vasilevski)! – in the words of local policemen, said in front of witnesses.)***

For so many years he was deceiving us that he is "orthodox" – and now Sarandopulos proved that he is their agent, planted into the Church to destroy it from within >>> ΑρχΙΚΑΤΑΣκοπος! = Arch-spy of the antichrist!

Compare the dates:

- **When was signed this terrible SUPERMEMORANDUM of the antichrist**
- **And when Kallinikos Sarandopulos signed the UNIA with the kyprianites** – and you will uncover the truth with your own eyes, without needing someone else to interpret it for you.

You will also uncover the truth WHY at that same time, also Chrysostomos Manyotis made a trip to the archheretic Bartholomew in Constantinople, or as specified in the SUPERMEMORANDUM – in “Istanbul” in connection with the “outside Istanbul” orthodox christian churches.

All this – with one purpose: the so called “8-th ecumenical” council of the antichrist!

**SUPERMEMORANDUM signed in Strasbourg**

On 25-29 June 2014, a “Memorandum” was signed in Strasbourg which will come into effect on 1 May 2016 and involves a draft programme until 16 August 2020. In the light of this document, one can clearly see the changes in the sphere of spiritual education as well as the reasons for the rapid convening of the Eighth Ecumenical Council – the council of the antichrist. As can be seen, there is only one aim behind this Council: to destroy the Orthodox Church and to bring the antichrist.

From 21 to 28 January 2016, a preparatory meeting was held in Switzerland (Chambésy) where the liquidation programme was already approved under the guise of positive terms.
